

LIVING OUT OUR FAITH-DAY 3

Be the church in your community by living out your faith each day. As we say at Saint Luke Lutheran Church, “God’s Work, Our Hands!”

- Work with your child to go through your home and see what items you could donate to A Wider Circle to help lift others out of poverty. They often need linens, towels, pots, pans, dishes, and silverware. These items should be in dignity condition, which means no tears, stains, chips, and cracks. Go to www.awidercircle.org to schedule an appointment for delivery.
- Give financially to COVID-19 Hunger Relief to help those in need in our community. [Donate Here](#)
