## **Poinsettia Dedications + Food Cards**

Have you seen the new kind of Christmas Poinsettia? It looks a lot like a gift card for food. Yes, this year, like last year, instead of giving Poinsettias in remembrance or in honor of a loved one, we are doing the same with food cards.

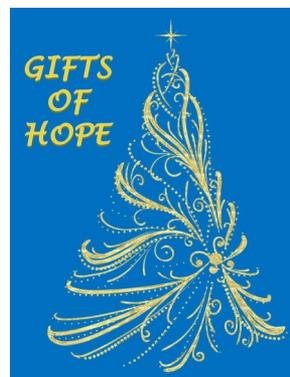

Now more than ever the ministry of distributing food cards through the Saint Luke Food Pantry is needed. During this crisis time we are helping more and more people.

Please consider giving a card, or cards, for food and know all dedications will be printed in the special Christmas Eve and Day worship bulletins. **Deadline for all dedications is Sunday, December 19.**

**Gifts of Hope** is an alternative gift-giving program and ministry sponsored by the Metropolitan Washington D.C. Synod of the ELCA. Gifts go to local as well as international ministries. **Newly added this year—La Sagrada Familia.** Go to the website [GiftsofHopeDC.org](http://GiftsofHopeDC.org) to purchase your gift. Or you may pick up a catalogue at Saint Luke Lutheran Church. Gifts of any amount are welcome.
