### The Call of Moses

Between the sunsets there was a light, for the glory of which you are waiting in holy ground.

THAT CHANGES EVERYTHING

Examine the photo with a partner. Use these questions to guide you.

- Who is the young woman ahead of the crowd carrying a book?
- Why does the crowd behind her seem angry?
- What do you think is happening in this photo?
- What else do you notice about the photo?

Photo credit: The photo shows one member of the Little Rock Nine, a group of African American students attempting to enter a school that had previously been racially segregated. The photograph was taken by Gordon L. Parks. The young woman in the foreground is Elizabeth Eckford. She is carrying a book to school. The crowd behind her is angry because she is the first African American student to enter the school on September 8, 1957. The photo is a powerful symbol of the Civil Rights Movement.
