I really appreciate everything that you did for me, especially because we barely knew each other. I am grateful that you gave me an opportunity of a lifetime. I hope to keep in touch with you and especially the church. Maybe 2021 I become a snaperon. 😊 P.S I don't know how to spell it

Love, Jessica

I'm really glad I came. I've been to a lot of different churches but none made me feel welcomed due to what they believe. I really want to come to Saint Luke every Sunday! The adults and the kids made this week so fun! Thank you so much! - eveling.

Hey Mr. Warfield I am writing this to thank you for everything that has happened on this trip. Thank you for the lessons you taught me, for telling me those stories from the bible, the food and simply everything. Because of this I see the world in a completely different way and I am more than grateful because of it. Thank you so much!! - Bryant Portillo

This was a very amazing experience. I enjoyed seeing new things, and meeting new people. Thanks for explaining what being a Lutheran really means. You inspired me to follow my calling. Thanks for an amazing week
